

Love can touch us one time
And last for a life time
And never let go till we're one.
God can touch us one time
And we're changed for a lifetime.
He'll keep us until this life is gone.

Near, far, where every we are
We believe that his love goes on.
Once more we open the door
And he's here in our hearts
And his love will go on and on.

God's here, there's nothing to fear
And we know that his love will go on.
He'll stay forever this way
We are safe in his love
And His love will go on and on.

Apache Indian Blessing

read by Rosie

*May the sun bring you new happiness by day;
May the moon softly restore you by night;
May the rain wash away your worries
And the breeze blow new strength into your being,
And all the days of your life
May you walk gently through the world and know its beauty.
Now you will feel no rain,
For each of you will be warmth for the other.
Now there will be no more loneliness.*

*Love theme from "A Star is born"
by Barbara Streisand.*

A Marriage

A marriage ... makes two fractional lives a whole; it gives to two purposeless lives a work, and doubles the strength of each to perform it; it gives to two questioning natures a reason for living, and something to live for; it will give a new gladness to the sunshine, a new fragrance to the flowers, a new beauty to the earth, and a new mystery to life.

Mark Twain (1835 - 1910)

Never above you. Never below you. Always beside you.

Walter Winchell (1897 - 1972)
